## **I-95 Northbound Lane Closure Scheduled Tomorrow in McIntosh County**

**WHAT:** Georgia DOT wants the traveling public to know of the northbound lane closure tomorrow between 7 a.m. and 5 p.m. on I-95 at Exit 49 in McIntosh County. This right lane closure is a necessity for the contractor McLendon Enterprises Inc. to use heavy equipment in the roadway for the construction of the SR 251 replacement bridge over I-95 at Exit 49. Drivers should be aware that personnel and equipment will be operating in close proximity to travel lanes.

This is a WORK ZONE and extreme caution is necessary. Motorists are advised to reduce speeds as they travel through this construction work zone. Message signs, barrels and/or cones will be utilized to alert the public of the upcoming changes.

**WHEN:** 7 a.m. until 5 p.m., Wednesday, January 20, weather permitting.

**WHERE:** I-95 Northbound starting at milepost 48 to Exit 49 (Darien/SR 251) in McIntosh County.

***DriveAlert ArriveAlive** calls attention to an alarming increase in roadway fatalities across Georgia, many resulting from preventable crashes and distracted driving. **DriveAlert ArriveAlive** implores motorists to buckle up; stay off the phone and no texting; and drive alert.
